

LETTER JACKETS FITTINGS

Best time to buy is now, you will receive your jacket before first cold weather and other special events.

All our jackets are custom made; turnaround time runs from 8 to 10 weeks.

Hess Awards has made it easy to order your jacket online

<https://www.hessawards.com/graceville-fl>. I use a varsity jacket produced by "Maverick Jackets" one of our most popular varsity jacket styles. By the way Maverick does the award jackets all schools in SEC and ACC excluding Wake Forest!

The jacket features:

- Wool body
- Set-in sleeves (vinyl or leather)
- Knit trim stand up collar
- Traditional snap front closure
- Slash pockets for storage (Vinyl or Leather)
- Lining (quilt)
- Sizes: XXS- 5XL
- Varsity jackets are customized with your student's personal information (their personal trophy case)

I still prefer to do in-person fittings for your team or group, **I WILL BE SIZING FOR ORDERS ON WEDNESDAY SEPTEMBER 14th, IN LOBBY 12:15 pm,** you can start your order with \$100 deposit. Your coach, director, or sponsor will have order forms please bring to sizing filled out (we will do sizing and alterations if needed).
